

Lighting Assistant Wanted - Dance Film (Berlin)

Project

Funded independent dance film shoot in Berlin (Uferstudios).

Location & Setup

- Performing space: 9m diameter circular stage area.
- Camera setup: overhead + additional side cameras.
- Rig points available for lighting setup.

What I am looking for

A film student or emerging lighting assistant who can help with:

- Lighting planning for the space
- Setting up lights on the first shooting day (17.08.2026)
- On-set support during shoot days (TBC depending on needs)

Bonus / ideal

Someone with experience or access to affordable film light rental in Berlin.

Requirements

- Preferably 3rd year film / cinematography student
- Interest in cinematic / dance film lighting
- Good understanding of lighting and willingness to collaborate closely

Compensation

Paid student-level / assistant-level budget.
